

BOX TOP RESULTS BY CLASS

Well done to those who have been snipping and bagging those box tops! As it stands now, at Forrestdale, 5H stands in first place with an impressive 569 box tops while 6Z tries to whittle away at the lead with a solid 367 and 6O holds steady in third place with 215. Meanwhile at Deane Porter, 2W looks hard to beat with 835, but 2L continues to chase holding onto second with 672, while 1K holds steady in third place with a respectable showing with 468! But keep those scissors sharp because it is not over yet and anyone can take the lead! You can check your place below.

The last collection for our Spring submission is 25 February and we are expecting a rousing push for the last weeks of the competition. Remember, you are collecting for the glory of a class party and certificates for pizza and ice cream, and of course, CASH for your school!

FORRESTDALE TOTAL 2330

Remember the task could not be easier: 1. Spot the box top. 2. Snip it out. 3. Place it in a bag marked with your name and classroom. 4. Drop the bag in the bin in either the Forresdale or Deane Porter offices. For those who prefer to cut and paste, you merely follow steps 1. and 2. above and then for 3. Paste the box top onto a piece of paper, (tape, glue or staple is fine). And 4. Just write your name and class on the paper and place the paper as you would a bag in either one of the collection bins. A breeze! However, please note that, whereas, you need not be highly skilled at cutting along the lines, it is very important that you pay attention enough to *not snip off the expirations date*. Other than that - a breeze, Finally, check out the opportunities to earn box tops at btfe.com and report your earnings by e-mail or a note in the appropriate bin. Happy snipping and thanks for your support.
